

LUXURY ALPACA 2550

The Luxury Alpaca 2550 combines pocket springs for perfect anatomical support with layered natural fillings for indulgent comfort. Wool, pashmina and alpaca also chosen for their breathability and moisture-wicking properties make this mattress an expertly handcrafted mattress that will deliver years of peaceful sleep.

2550* POCKET SPRINGS

Pocket springs move independently and so provide the best postural support. The individual pocket springs follow and support your body shape and weight. *King size.

FIRM EDGE SUPPORT

Firmer springs along the sides add strength to the edge of the mattress to allow you to use the whole surface of the mattress as a sleeping area.

WOOL, PASHMINA AND ALPACA LAYER

Provides a durable insulating layer of natural resilience and luxurious loft and gives optimum support.

4 ROWS OF SIDE STITCHING

Provides a more robust mattress border than a standard mattress.

HAND TUFTED WITH WOOL TUFTS

This traditional skill ensures all loose fillings are secured to provide the perfect finish to your mattress.

NO TURN

No need to turn the mattress, although regular rotation will extend its life.
