

CARISBROOKE WOOL

Supported by a sumptuous mattress base containing 3500 pocket our zippable low maintenance wool topper contains layers of West Country Wool combined with a further 2000 individual pocket springs to create ultimate levels of comfort to ensure the perfect night's sleep.

5500* POCKET SPRINGS

Pocket springs move independently and so provide the best postural support. The individual pocket springs follow and support your body shape and weight. *King size.

PILLOWTOP LAYER FEATURING MINI POCKET SPRINGS

A soft comfort layer above the supportive mattress featuring mini pocket springs for further postural support.

WEST COUNTRY WOOL

Wool is blended into a blanket-like layer and used as a soft and insulating upholstery layer for added comfort.

COOLING NATURAL COTTON BLEND

Cotton is combined with soft white fibre into a deep layer. Cotton is breathable, highly absorbent and is excellent at controlling body temperature through its moisture wicking properties.

SUPPORTIVE FIBRE LAYER

Made from recycled plastic and designed to give comforting support.

HAND SIDE STITCHED

Provides a more robust mattress border than a standard mattress.

HAND TUFTED WITH WOOL TUFTS

This traditional skill ensures all loose fillings are secured to provide the perfect finish to your mattress.

NO TURN

No need to turn the mattress, although regular rotation will extend its life.
