The best beds in the world

BRAEMAR

Designed to provide firmer luxury support, the Braemar is an elegant mattress upholstered with copious amounts of cotton, cashmere, lambswool and silk.

1400* POCKET SPRINGS

Pocket springs move independently and so provide the best postural support. The individual pocket springs follow and support your body shape and weight. *King size.

HAND-NESTED AND HAND-CENTRE-TIED

Individual springs sewn in fabric pockets are hand-nested in a honeycomb pattern and tied with linen cord. This construction eliminates movement transfer for a more peaceful sleep.

SPRING TENSION

Available in soft, medium or firm. Also available in combination tensions.

HYPO-ALLERGENIC LAYER

A layer of hypo-allergenic fibre is used underneath the mattress fabric cover. This layer is sterilised and dust free, therefore, ideal for allergy sufferers.

COTTON LAYER

Exceptionally breathable and highly absorbent, cotton is excellent at controlling body temperature through its superior moisture wicking properties.

LAMBSWOOL LAYER

Lambswool is blended into a blanket-like layer and used as a soft and insulating upholstery layer for added comfort.

CASHMERE AND SILK

Cashmere hair and the finest silk fibres are blended into a durable insulation layer. This layer also provides a supportive feel.

2 ROWS OF HAND SIDE STITCHING

Skilled craftsmen use upholstery needles to hand stitch the mattress borders to provide better support and extending the sleeping area to the edge of the mattress.

HAND TUFTED WITH WOOL TUFTS

This traditional skill ensures all loose fillings are secured to provide the perfect finish to your mattress.

M-PURE TREATED MATTRESS FABRIC

M-Pure is a natural fire resistant treated fabric. This non chemical FR treatment uses biologically based ingredients that make it bio-degradable, environmentally friendly and 100% sustainable.

TURNABLE

Both sides can be used prolonging the life of the product. Turnover and rotate your mattress once a week for the first 3 months and then once a month thereafter.
