

# EDGE+

## Designed to meet the demands of contemporary living

With the addition of **EDGE+** to our handcrafted mattresses, we have perfected the blend of optimal support and supreme comfort, providing you with the ultimate sleep experience.

---

Inspired by the diverse needs of modern life, this enhanced feature will elevate your sleep experience with:

### **Full edge support**

For sitting and ease of bedtime transitions – perfect for those who need a firmer foundation for everyday tasks.

### **Surface maximisation**

You can feel confident the mattress surface provides consistent support, right up to the very edge.

### **Increased integrity**

A specially designed spring to create a firm mattress edge to help maintain the integrity and shape of the mattress over time, preserving its lifespan.
