

Classic

LUXURY COMFORT 4500

The Luxury Comfort 4500 combines 4500 pocket and mini pocket springs for responsive support and enhanced pressure relief. A sumptuous pillowtop with wool, alpaca and bamboo adds natural softness and breathability, while side stitching and wool tufting complete this luxurious no-turn mattress.

4500* POCKET SPRINGS

Pocket springs move independently and so provide the best postural support. The individual pocket springs follow and support your body shape and weight. *King size.

PILLOWTOP LAYER FEATURING MINI POCKET SPRINGS

A soft comfort layer above the supportive mattress featuring mini pocket springs for further postural support.

WOOL LAYERS

Wool is blended into a blanket-like layer and used as a soft and insulating upholstery layer for added comfort.

ALPACA AND BAMBOO

Luxurious alpaca fibres are blended with naturally breathable bamboo to create a soft and durable comfort.

SUPPORTIVE FIBRE

Designed to provide excellent levels of comfort and support.

4 ROWS OF SIDE STITCHING

Provides a more robust mattress border than a standard mattress.

HAND TUFTED WITH WOOL TUFTS

This traditional skill ensures all loose fillings are secured to provide the perfect finish to your mattress.

NO TURN

No need to turn the mattress, although regular rotation will extend its life.
