

EMPEROR

he jewel in the Heritage Collection crown, the Emperor combines all of our master craftsmen skills into one mattress.

3400* DOUBLE LAYER OF CALICO POCKET SPRINGS
Pocket springs move independently and so provide the best postural support. The individual pocket springs follow and support your body shape and weight.
*King size.

HAND-NESTED AND HAND-CENTRE-TIED
Individual springs sewn in calico fabric pockets are hand-nested in a honeycomb pattern and tied with linen cord. This construction eliminates movement transfer for a more peaceful sleep.

SPRING TENSION
Available in soft or medium.
Also available in combination tensions.

HYPO-ALLERGENIC LAYER
A layer of hypo-allergenic fibre is used underneath the mattress fabric cover. This layer is sterilised and dust free, therefore, ideal for allergy sufferers.

LAMBSWOOL LAYER
Lambswool is blended into a blanket-like layer and used as a soft and insulating upholstery layer for added comfort.

COTTON LAYER
Exceptionally breathable and highly absorbent, cotton is excellent at controlling body temperature through its superior moisture wicking properties.

HAND TEASED MERINO WOOL
Merino wool is sumptuous and also has great hyroscopic properties encouraging the evaporation of body moisture, ensuring a really comfortable sleeping environment.

HAND TEASED CASHMERE
Cashmere is the wool of the Kashmir goat. It is wonderfully insulating and absorbent and is used to help regulate a comfortable sleeping environment.

HAND TEASED MOHAIR
Mohair is resilient, soft and luxuriously comfortable. Warm in winter due to its insulating properties and cool in the summer due to its moisture wicking properties.

HAND TEASED HORSE HAIR
Horse hair is the longest natural fibre, twisted to provide extra resilience and bounce. Horse hair is the perfect natural spring partner for our sumptuous beds.

5 ROWS OF HAND SIDE STITCHING
Skilled craftsmen use upholstery needles to hand stitch the mattress borders to provide better support and extending the sleeping area to the edge of the mattress.

HAND TUFTED WITH WOOL TUFTS
This traditional skill ensures all loose fillings are secured to provide the perfect finish to your mattress.

M-PURE TREATED MATTRESS FABRIC
M-Pure is a natural fire resistant treated fabric. This non chemical FR treatment uses biologically based ingredients that make it bio-degradable, environmentally friendly and 100% sustainable.

TURNABLE
Both sides can be used prolonging the life of the product. Turnover and rotate your mattress once a week for the first 3 months and then once a month thereafter.

AVAILABLE WITH
EDGE+

MATTRESS DETAILS
