CARISBROOKE

Innovative zip-off topper mattress

Designed with versatility and lasting comfort in mind, this innovative mattress features a luxurious zip-off topper that can be easily removed, shaken and rejuvenated to help maintain its beautifully sumptuous feel. Beneath, a premium base mattress provides the essential foundation of support and is available in a choice of two heights. Choose the low-profile option for a firmer, more supportive foundation, or the standard height for a deeper, more sumptuous sense of luxury. Together, the supportive base and removable topper create a flexible sleep system designed to deliver exceptional comfort from top to bottom.

WOOL

CARISBROOKE TOPPERS

Choose between the naturally insulating comfort of wool or the light, breathable freshness of cotton to create a sleep experience perfectly suited to you.

COTTON

Filled with generous layers of beautifully soft cotton, our zippable topper brings a fresh, breathable feel to your sleep surface. Naturally light and airy, cotton allows air to circulate freely while gently cushioning the body for relaxed comfort. Cool, soft and wonderfully inviting, it creates a refreshing sleep environment for effortless comfort throughout the night.

WOOL

Generously filled with sumptuous layers of the finest wool, our zippable topper adds a beautifully indulgent layer of natural comfort. Wonderfully soft and breathable, wool naturally regulates temperature while providing gentle cushioning and lasting resilience, creating a luxuriously comfortable sleep environment night after night.

2000* MINI POCKET SPRINGS
Pocket springs move independently and so provide the best postural support. The individual pocket springs follow and support your body shape and weight. *King size.

HAND TUFTED WITH WOOL TUFTS
This traditional skill ensures all loose fillings are secured to provide the perfect finish to your mattress.

NO TURN, SHAKE TO REJUVENATE

Regular shaking and plumping will help to extend the life of the topper.

ZIPPABLE TOPPER
Easy and quick to remove for rejuvenation.
